

2009 Provincial Series #5 & #6

Red Deer BMX

****FIRST TIME AT A PROVINCIAL****

Red Deer BMX will be hosting the first LADIES ONLY BMX Clinic on Saturday August 8. This is open to all female non riders and will be held one hour after racing ends. The clinic is planned to go two hours but depends on participation. Anyone planning to attend will be required to meet all provincial safety minimum standards, long sleeves, long pants, full finger gloves, proper tie on type footwear and a full faced helmet. Waivers will be required to be filled out and we ask that if you know someone with a bike and equipment you can borrow; it would help greatly not having to share with other riders. There will be no charge for this clinic.
